Well, it is time to leave the cold and snow. Judy and I will be leaving for New Mexico and Arizona. We plan to be away for a couple of weeks. We enjoy traveling throughout the south west seeing this great country.

Monday's social meeting went well for those of you who were not able to attend. We put together a casino night. Thank you to Lion Dick Christofferson for putting this together. A special thanks to Dick Raatz and his crew for providing the dealers. I hope everyone had a good time.

I would like to remind all members of our upcoming 45th Annual Smelt Fry on April 25, 26 and 27. We will be serving from 5 PM to 8 PM each night. I am asking all members to be available for these three days. We need every member there to help us make this fund raiser work.

Lion Brenda Reeves is graciously building a new website for our club. If you have any good stories to share about how our contributions helped a group or individual, please contact Lion Brenda so that she can publish it on our website.

We have done many good things for many good people. This website is one way to get our message out and let others know about our wonderful work.
